Small Business Banking

Welcome to SouthState

At SouthState, our focus is always on our customers first. We believe that's what sets us apart. We want to be a part of helping you grow your business and to help you strategize ways to run your operations more smoothly. At whatever phase you are in your business journey, we'll make sure you have what you need to take the next step forward.

LEARN MORE

The journey to reach your financial goals starts here.

Solutions to Keep Your Business Moving

We make it easier for you to manage your money so you can focus on your business every step of the way.

- Checking
- Savings & CDs

Bank Securely on the Go

Depending on the needs and complexities of your business, we'll find the right online solution for you. Whether it's our standard digital banking that's packed with enhanced features or our more robust, best-in-class Treasury Management Platform, Treasury Navigator.®

Finance Your Goals

From working capital to real estate, our dedicated bankers will work with you to find the right credit solution for your needs.

- Loans and Lines of Credit¹
- SBA Loans¹
- Credit Cards¹

Business Lending Express – As quick as a 48-hour turnaround on select Loans and Lines of Credit, Term Loans and Commercial Vehicle Loans.¹

1. All loans subject to credit approval.

Simplify the Way You Pay and Get Paid

Secure, automate and reduce the time it takes to deal with your business finances with our expertise and robust solutions.

- Accept Payments
- Make Payments
- Protect Cash Flow

Look After Your Employees

To remain competitive, you need to provide your employees with programs that meet their needs and goals.

- Corporate Retirement Planning Services
- SouthState at Work – A suite of banking services for your employees that includes exclusive offers and added benefits for banking with SouthState
- Health Savings Accounts

Small Business Resources
